The Detail of carbon steel precision cast part, machinery part of carbon steel investment casting:

Model No:carbon steel precision cast part - 01

Casting series: carbon stee investment casting

Casting Material: carbon steel #45

Casting type: silica sol precision casting

Lead time of die casting mold: 25 days

Post treatment: acid cleaning, blue zinc passivation

Precision Machining: drilling

Product Origin: China

Brand Name: Cinda steel investment casting

Price Terms: FOB Ningbo

Payment Terms: T/T,L/C

Supply Ability: 30,000-40,000sets/month

Die casting mold lead time: around 30 days

If you want to purchase or know more information about carbon steel investment cast part-01 , please contact us!
